SUMMARY

Detail-oriented and proactive professional with 1+ year of experience in client servicing and in-house VFX line production. Skilled in coordinating creative workflows, managing client expectations, and delivering high-quality visual content on time. Adept at handling social media platforms including Instagram, Facebook, and website updates, with a strong understanding of digital engagement strategies. Known for multitasking, clear communication, and maintaining efficient production pipelines in fast-paced environments.

WORK EXPERIENCE

Ustudioss and Post Productions
Oct 2024 - Current

Client Servicing & Social Media Executive

- Manage VFX workflows, to ensure timelydelivery of high quality work. Follow up with VFX artists to understand the project and monitor progress to meet deadlines.
- Monitored shot deliveries and flagged potential delays early, adjusting timelines or resources to stay on schedule.
- Analyze social media performance to optimise engagement and growth.
- Coordinated with artists and department leads to track progress, solve issues, and keep the workflow running smoothly.

Autoedit Productions
May 2024 - Oct 2024

Marketing & Social Media - Intern

- Handle client follow-ups, conduct outreach calls, and actively seek new project opportunities.
- Ensure timely updates of website content accordingly to specified criteria.
- Oversee and manage the social media accounts for the main production house and in house post-product studio.
